

## **Monica Verma Bio**

Ms. Verma is an executive vice president in the operations group in the New York office, in charge of operations for separately managed accounts along with designing operations for private equity products, foreign exchange and other firm-wide initiatives. Prior to joining PIMCO in 2009, she ran operations at Allianz Global Investors Managed Accounts. Previously, she was a portfolio manager at Constellation Energy, managing a \$2-billion-plus Northeast portfolio of deals. She has over 20 years of investment and financial services experience and holds an MBA from Harvard Business School. She received a master's degree from the School of Natural Resources and Environment at the University of Michigan and an undergraduate degree in materials science engineering from the Massachusetts Institute of Technology. Ms. Verma also holds an OPEX Six Sigma Black Belt.
